

Nuance Dragon Notes Cloud App Now Available in the Windows Store

Nuance's Note-Taking App for Windows 8 Supports More than 25 Languages, Helping to Bring the Power of Productivity and Organization to Even More People Worldwide

BURLINGTON, Mass., – July 2, 2013 – Nuance Communications, Inc. (NASDAQ: NUAN) today announced the availability of Dragon Notes Cloud for the Windows Store. Dragon Notes Cloud in the Windows Store expands support for Windows 8 devices, including Windows RT-based tablets such as the Microsoft Surface RT. Dragon Notes Cloud is a convenient and fun app that gives people a simple way to speak notes, to-do lists, reminders and emails, and to easily share notes to popular apps such as Microsoft OneNote through the Windows 8 Share charm.

Dragon Notes Cloud makes it easy to capture ideas in the office, at home or on the go – keeping all those sticky notes and paper lists at bay for a more organized digital lifestyle. And now with availability in the Windows Store, Dragon Notes Cloud is even more convenient to access, helping to give people the ability to unleash new levels of productivity on their Windows 8 devices.

Dragon Notes Cloud in the Windows Store supports more than 25 languages across North America, South America, Europe, the Middle East and Asia. Its multilingual capabilities use the cloud to provide access to all languages once the English-language version has been downloaded.

“The powerful voice capabilities of Dragon Notes Cloud help give Windows 8 users the power to stay productive, organized and inspired, anytime, anywhere,” said John Richards, senior director of Windows App Marketing at Microsoft Corp. “The app’s use of features, such as the Share charm, enables users to quickly and easily share their notes to friends, family or other apps from their Windows 8 device, whether they are at home or on the go.”

“Dragon Notes Cloud provides a great voice experience coupled with the on-the-go productivity that today’s mobile customers demand to make it incredibly easy to organize, share and connect,” said Sarah Gaeta, vice president and general manager, Dragon Desktop, Nuance Mobile. “And with availability on the Windows Store with support for more than two dozen languages, we’re able to share the power of Dragon with even more consumers around the world.”...
