

## Nuance Comments on Malware Incident

BURLINGTON, Mass., June 28, 2017 – Nuance Communications, Inc. (Nasdaq: NUAN) indicated that on Tuesday, June 27, portions of its network were affected by a global malware incident, which also affected many other companies and organizations worldwide. As soon as the company became aware of the situation, it took measures to contain the incident and assess the extent of the impact on its network. Nuance has engaged leading security experts to assist in responding to the incident.

The company will provide updates about this matter via Twitter @nuanceinc and/or at [whatsnext.nuance.com](https://whatsnext.nuance.com).
