

High-Performing Nuance Enterprise Partners Recognized for Notable Achievements

BURLINGTON, Mass., February 12, 2019 -- [Nuance Communications, Inc.](#) today announced the Nuance Enterprise North American Partner Award winners, recognizing key partners for their commitment to Nuance Enterprise, joint customer success and outstanding performance.

As a market leader in AI-powered customer engagement solutions, Nuance works closely with strategic partners to bring its powerful tools to a wider set of organizations to deliver solutions that extend across channels and meet the ever-changing needs of today's modern enterprise. Organizations embarking on customer experience transformation are looking for technology with the flexibility to integrate with legacy infrastructures alongside new cloud models and plugin to platforms they've previously invested in. Nuance delivers on that need by offering a robust set of solutions that can leverage information across business silos and channels to deliver a superior customer experience and easily integrate with best-of-breed, vertical specific solutions.

Nuance's network of partners is critical to achieving customer success across industries and spanning technologies. The Nuance Enterprise Partner Awards recognize excellent performance and notable achievements in various areas for the year. This year's recipients include:
